WORK EXPERIENCE

Enosi Holding S.r.l.

Rome, Italy (Hybrid)

Private Equity Analyst (Intern)

05/2026 – Present

- Support the full investment process on buy-side, growth and turnaround deals across multiple sectors (Italy, US, Brazil): financial modeling, valuation, due diligence, deal structuring and investor materials, within a small, highly operational investment team
- Build integrated three-statement and operating models; value targets via DCF/APV, trading comparables and precedent transactions (incl. Valutico), with scenario/sensitivity analysis and IRR/MOIC returns
- Draft IC memos, investment theses, teasers and Information Memoranda; reclassify statutory financials and support deal structuring (work-for-equity, earn-in, term sheets/LOI, cap-table analysis)

Fideuram - Intesa Sanpaolo Private Banking

Rome, Italy

Private Banking - Internship

02/2024 – 10/2024

- Support in the creation and management of 8 financial portfolios for private clients; risk-return analysis and asset allocation optimization
- Extensively leveraged BlackRock's Aladdin® to run advanced market and instrument analytics (risk, performance, factor), supporting the preparation of client-facing prospectuses, KID/KIID documentation and investment strategies
- Produced quarterly performance attribution (allocation vs selection vs interaction) to evidence value-add vs benchmark
